

Exceptional service in the national interest

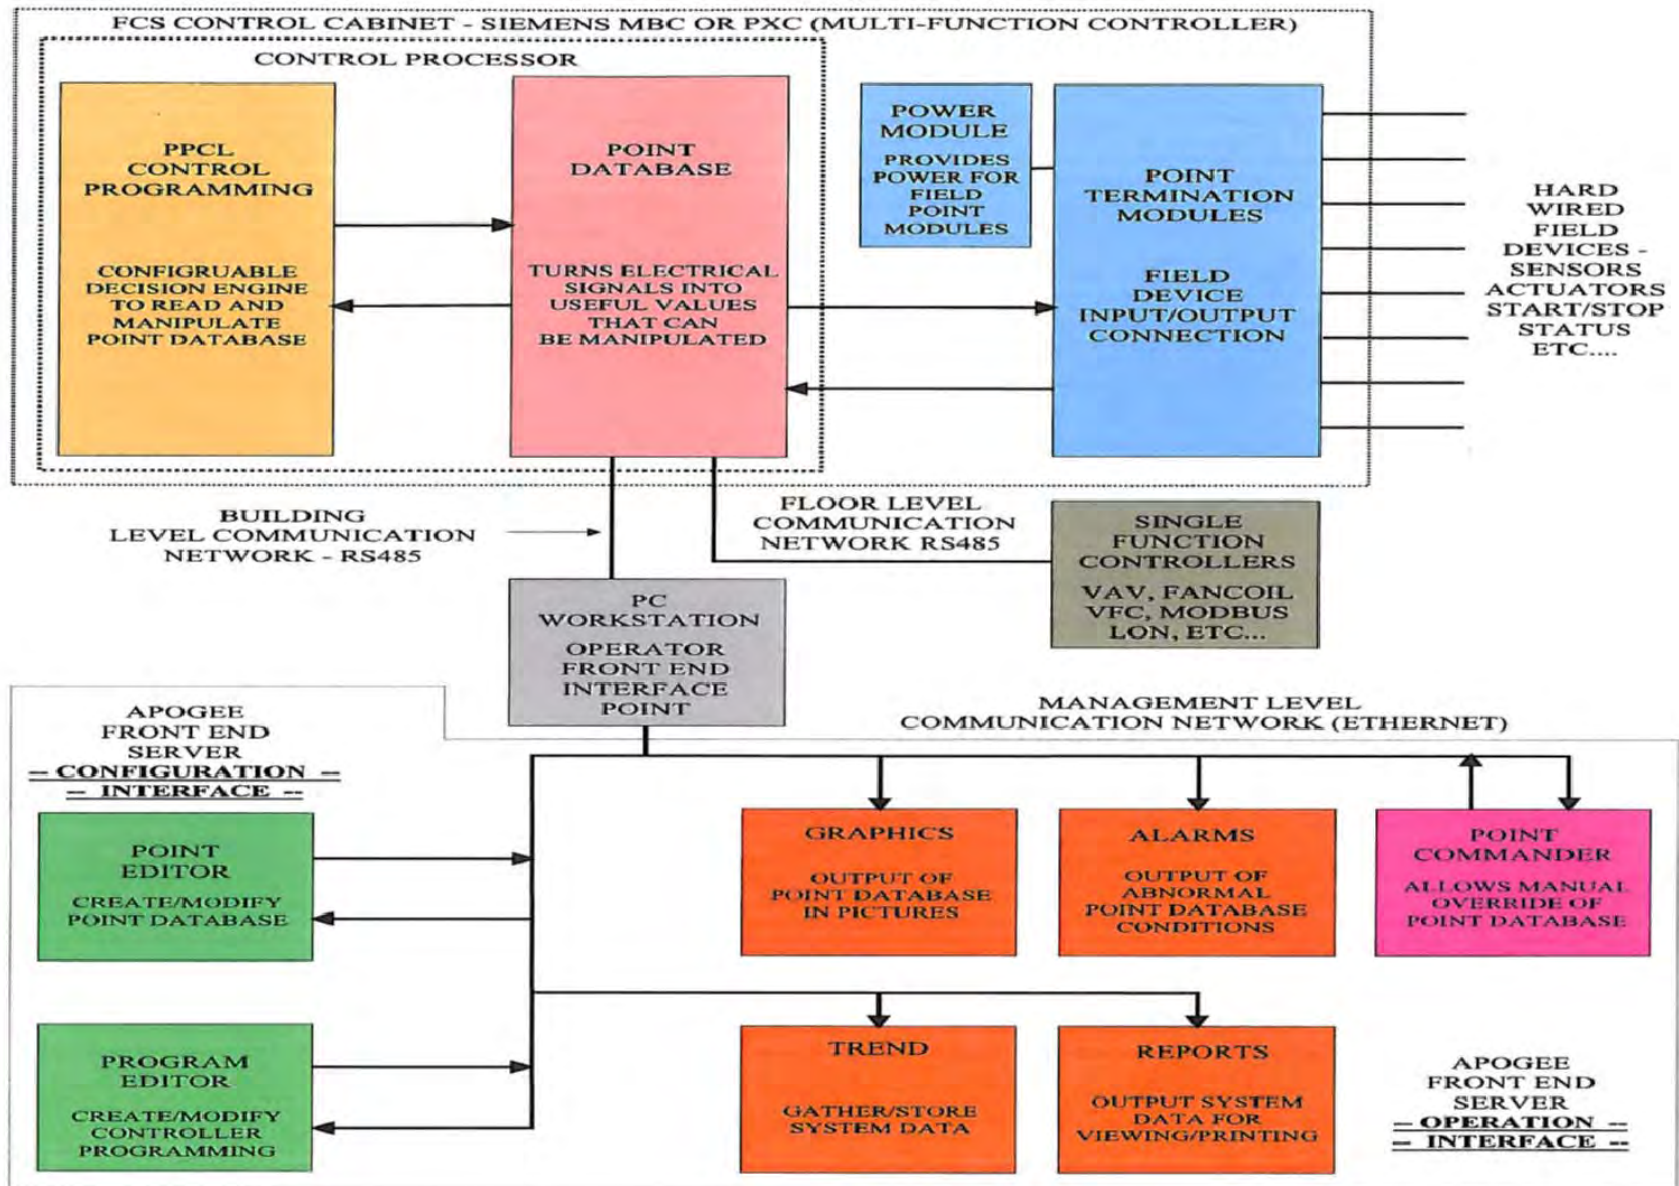

Data Center Controls Integration

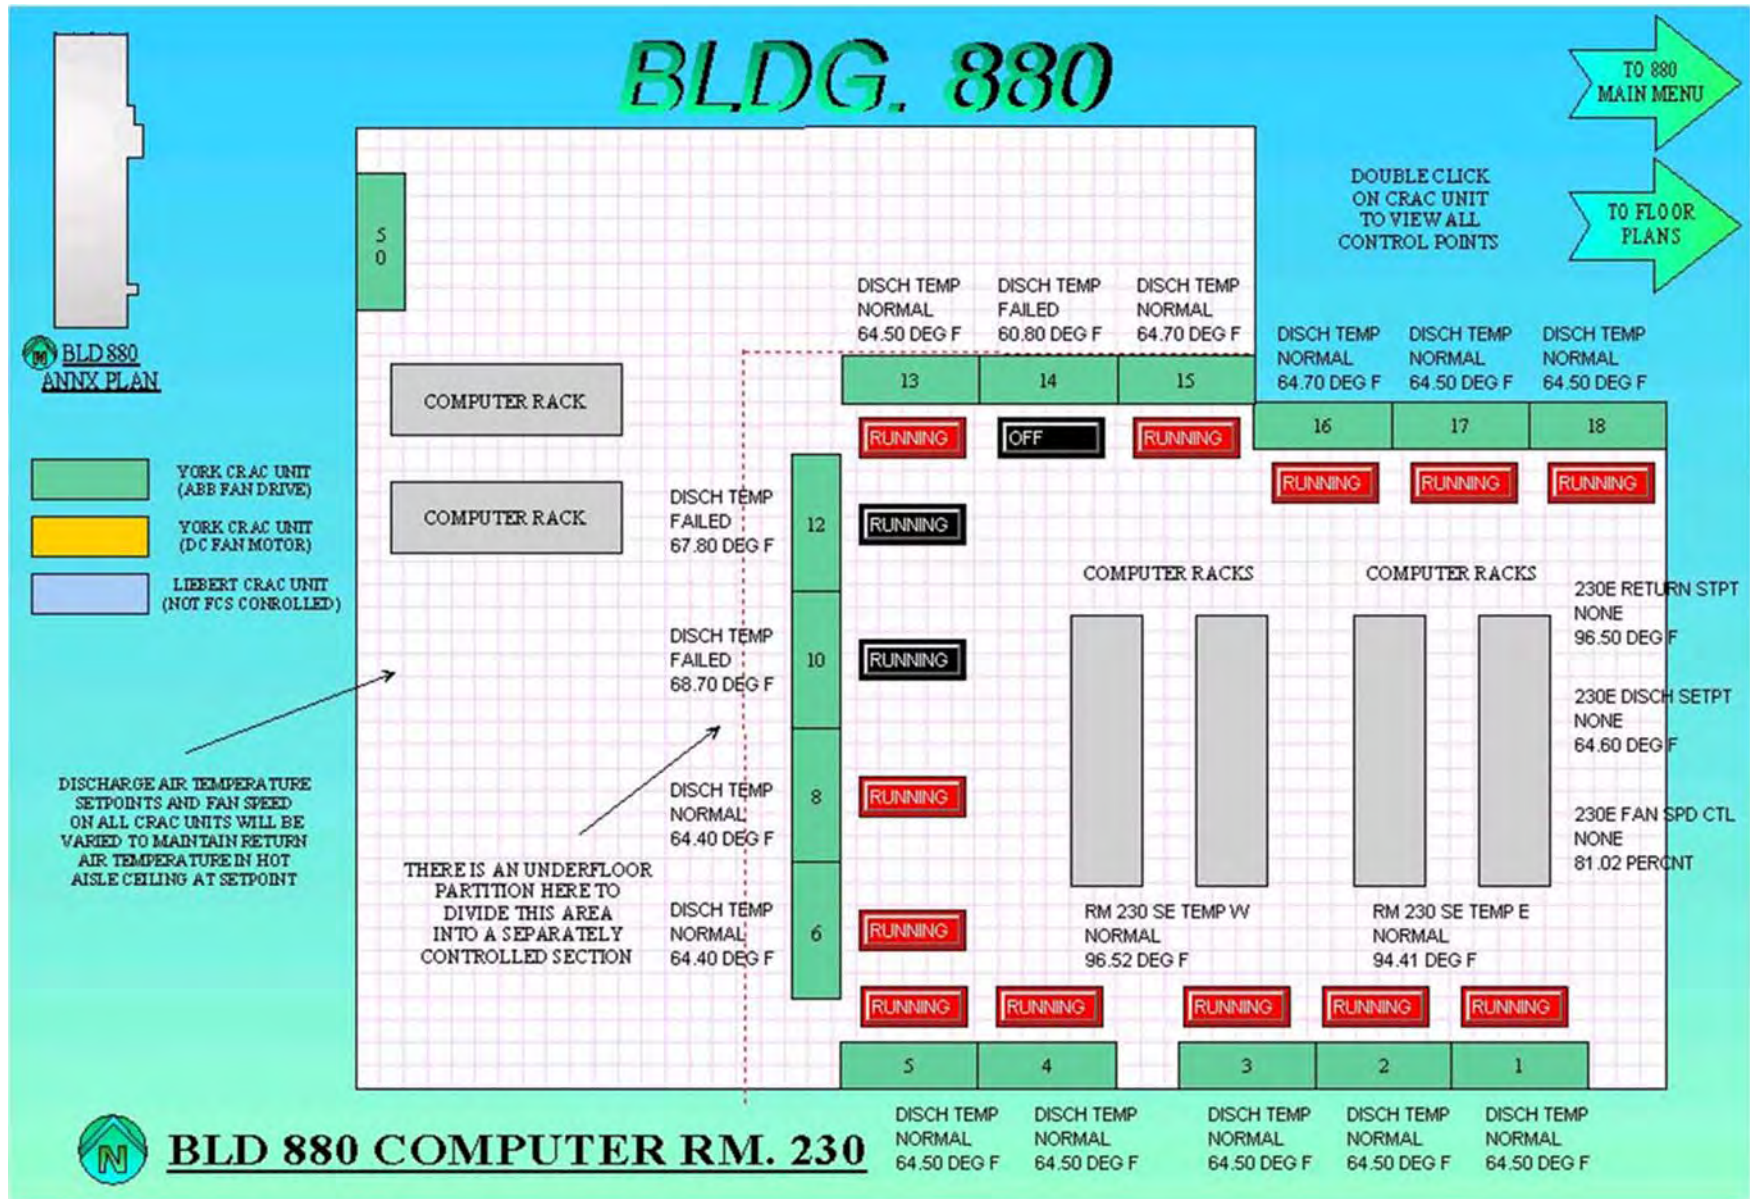

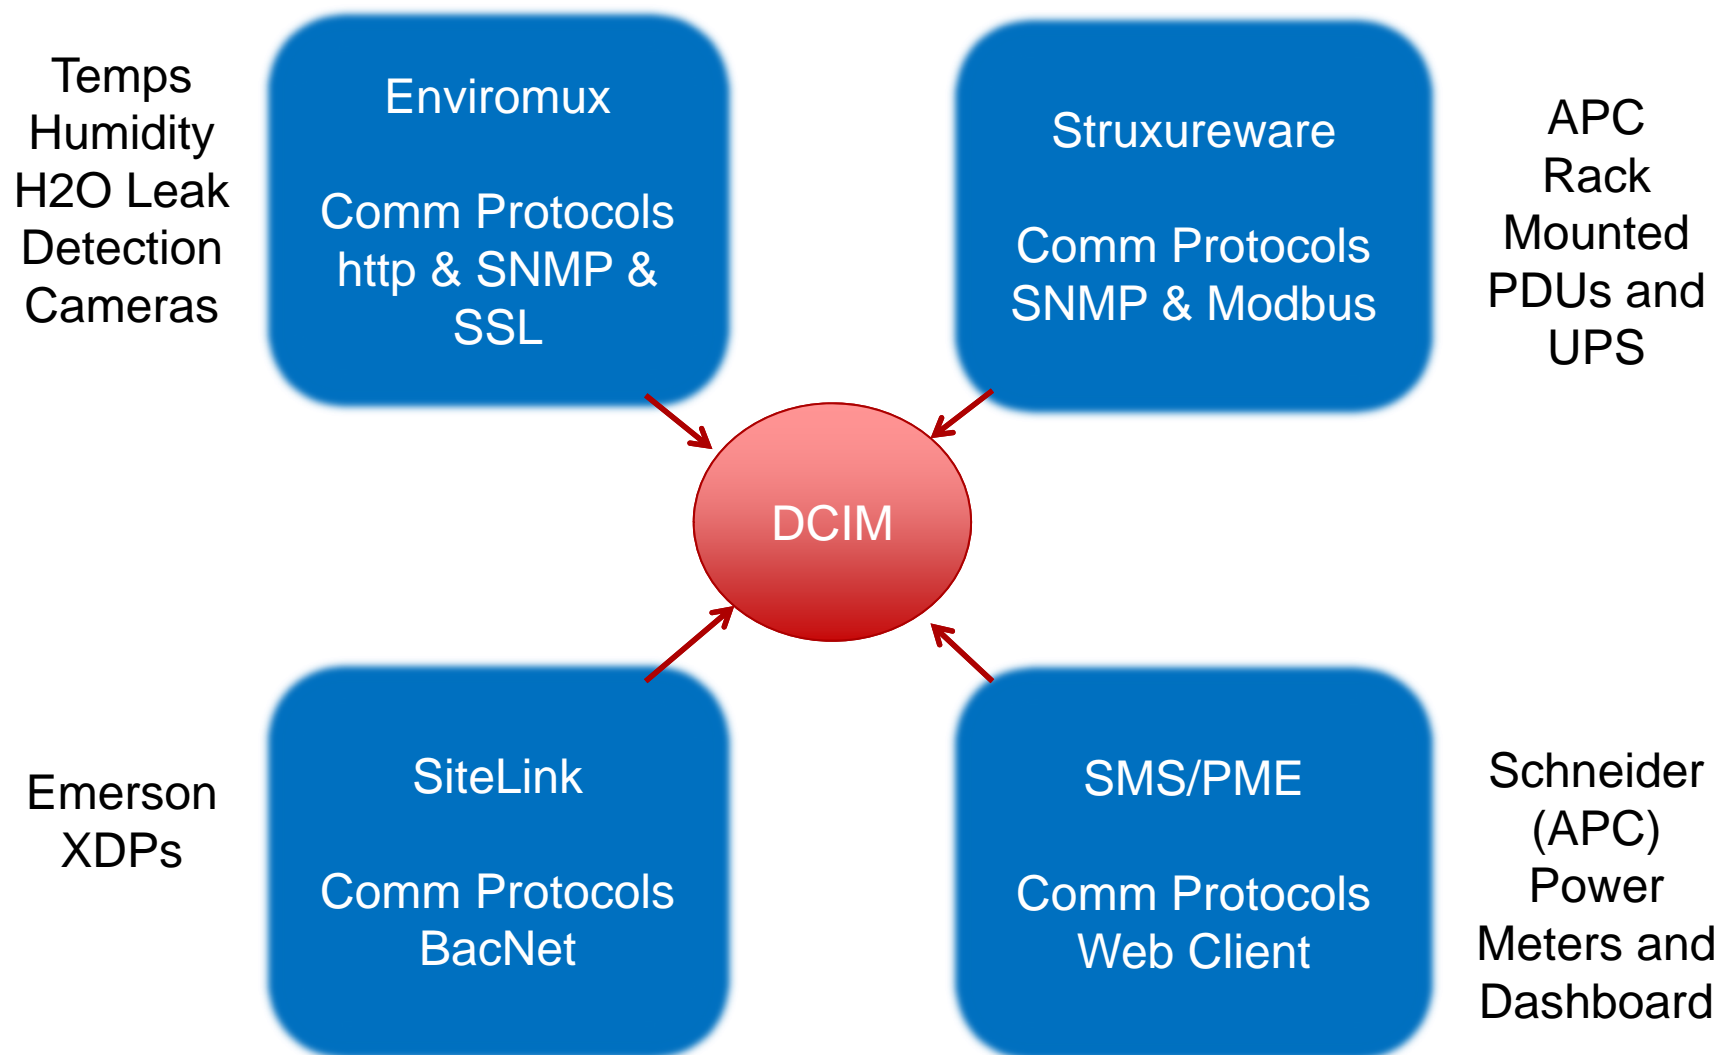

Sandia National Laboratories is a multi-program laboratory managed and operated by Sandia Corporation, a wholly owned subsidiary of Lockheed Martin Corporation, for the U.S. Department of Energy's National Nuclear Security Administration under contract DE-AC04-94AL85000.

FCS SYSTEM ARCHITECTURE

Automated Controls

Future Integration Plans

- Use floor tiles that will enable controlling air flow based on kW of an individual rack
- Load shedding
- Integrated solutions for liquid cooled computers

Thank You
